2. The Vice-President shall perform the duties of the President in case the President is absent or incapacitated, and, in case of vacancy of the Presidency, he shall assume that office and hold it for the remainder of the term.
3. The Secretary shall take minutes at all meetings of the Executive Board and of the membership and shall provide each member of the Executive Board with a copy of said minutes not later than sixty (60) days following each respective meeting.
4. The Treasurer shall have custody of all monies belonging to the Society and shall pay them out only upon the authority of the Executive Board. He shall keep an accurate list of all members and collect the dues. At the annual meeting, the Treasurer shall make a report on the fiscal and membership status of the Society.

ELECTION OF OFFICERS

5. There shall be a nominating committee composed of three members, two of whom are elected in staggered two year terms with the senior member serving as chair and a third member from the six elected Board members to be appointed by the sitting President.

The Nominating Committee shall:

- a. nominate at least one candidate from the SSA membership for each vacancy, including a minimum of three nominees for vacancies on the nominating committee.
- b. consider the diversity of interests, geographical location, sex, age, race, and national origin in its selection of nominees
- c. submit a list of the nominees to the Executive Board in its January meeting for publication in the winter issue of the SSA Newsletter.
- d. accept any written petitions signed by twenty dues-paying members as nominations for any vacancy, such petitions to be accompanied by written acceptance from the nominee and to be received by the nominating committee at least ninety (90) days prior to the annual meeting.

e. issue an official ballot containing the names of the candidates it has named, the candidates who have been nominated by petition, and blank space for write-in candidates, such ballots to be accompanied by brief biographical sketches of the nominees (to be provided by each candidate);

f. see that the ballots are mailed to all members at least two months prior to the annual meeting for return to the chairman of the nominating committee no later than five weeks prior to the first day of the annual meeting.

All votes shall be tallied by the chairman of the nominating committee, assisted by two members of the Society, appointed by the President, who live in the vicinity of the chairman. A plurality of votes cast by the members shall be necessary for election. The ballots and their tabulated results shall be sent back to the President of the Society. If a plurality of votes is not achieved the vote shall be declared a tie. In the event of a tie vote the chairman of the nominating committee, witnessed by the two members assisting with the tally, will put both names in a container and pull one name from the container. The candidate whose name is drawn will be declared the winning candidate.

All candidates for office shall be notified immediately of the election results. The names of new officers, board members, and members of the nominating committee shall be announced publicly at the annual meeting.
